PURPOSE OF THE CONTEST

The 2014 Maricopa Shutter Shots Digital Photo Contest sets out on a specific mission. In 20 years people will ask **“What did Maricopa look like back in the day?”** We answer that question right now by documenting the entire planning area as it stands in 2013. Help create historical archives of the City of Maricopa and a timepiece for the community.

Hit the streets and capture all the beauty, nuances and charm of Maricopa and its surrounding area.

The photo canvas includes the businesses, the people, the environment, the streets, and the subtleties of Maricopa **all during a 24-hour period.**

What does a typical day look like in “the ‘Copa?” For 1,440 minutes, beginning **at midnight and ending at 11:59 p.m. on Wednesday, October 15, 2014**, --the anniversary of our City -- life in Maricopa will be immortalized through digital photography.

The unveiling of the images and winners of each category will be on showcase at the City Library on October 22-29.

FIND THE SUBTLETIES

The greater Maricopa area has so many different and vibrant neighborhoods that are unique in their own way. We are seeking to definitively capture through digital images **Maricopa** and surrounding neighborhoods that make the area so special. There is so much to discover in the greater Maricopa area and this is your chance to explore your creative, humorous, artsy, or serious side to showcase our community. The contest aims to capture special moments during 24 hours of everyday life taking us from dawn to dusk. We expect that these images will speak volumes about how truly special the community of Maricopa is.

This contest is being presented by the City of Maricopa. Winning photos will be submitted to the Arizona office of Tourism to help promote Maricopa and given to the Maricopa Historical Society for its archives.

So, picture this:

Amateur and seasoned photographers of all ages, taking photographs around each corner, down every street, and from every angle that really define the personality of the **City of Maricopa and its surrounding area** during the same 24-hour period. Anyone can enter -- just start snapping digital photos from midnight to 11:59 p.m. on Wednesday, October 15, 2014 of whatever and whomever you like within the designated boundaries during the day and/or night. Photos might include, but are not limited to: business/commerce, home life, work, sports, nature/landscape, wildlife, indoor life, outdoor living, pets, interiors of homes and businesses, architecture, humor, drama, action, friends, family, or historical places in the area.

Participants will drop off a CD with their three best snapshots along with a 5” x 7” print of each to City Hall at 39700 W.
